Save Green Gates Park: Petition to Frodsham Town Council and Cheshire West & Chester Council

We, the undersigned, are opposed to development upon Green Gates Park of Ship Street, Frodsham. This green space was enjoyed by hundreds of Frodsham residents until the play equipment was sold for scrap and the gates were locked. The land is currently protected by a covenant that states the council will not use the land otherwise than as a children's playground. We call upon our local councils to:

1. Not allow housing to be built on Green Gates Park.
2. Maintain Green Gates Park as a public space that benefits the community.

We are seeking the valued opinions of local residents to strengthen the evidence for our objection to the proposal to build housing on Green Gates Park. Findings from this survey will be presented to Frodsham Town Council, the options appraisal evaluation panel and Cheshire West & Cheshire Council. It's important that we prove these opinions are of local people, so we'd like to collect some of your details to identify you as a local resident and contact you for follow-up if needed. We will securely store your data collected above until the end of the research period. We respect your trust and privacy, so we'll never sell or share your data with third parties other than those mentioned above. By filling out this form you agree that we will process this data in line with our privacy policy found at https://yourgreengates.com/privacy-policy/. If you have any questions or want us to remove your data at any stage please contact us at data@yourgreengates.com.
